

Governance

Governors of the School are fully committed to doing all they can to support the School in achieving these aims. Governance is divided into five areas of school activity, with the following core aims:

ACADEMIC Committee

To foster a love of learning through high quality innovative teaching in order that each boy can maximise his academic potential.

PASTORAL & RECREATIONAL Committee

To ensure an understanding and supportive environment in which all boys can thrive, engaging in a breadth and depth of experience and opportunity.

FINANCE & RESOURCES Committee

To manage all School resources effectively and efficiently in order to allow the School to deliver its strategic objectives both now and in the future.

MARKETING & EXTERNAL AFFAIRS Committee

To promote and enhance the reputation of all aspects of a 'Bedford Education'.

BEDFORD SCHOOL ASSOCIATION Committee

To harness the strengths and support of all associated with the School - past and present - for the benefit of all.

The School is also committed to effective mitigation of risk and manages its risk register accordingly. Governors are centrally involved in the strategic consideration of risk which, together with the strategic aims of the School and compliance, forms the framework of governance within the School.
