

Hungry Boys' Club - Spring Term 2018

Dear Parents

The Hungry Boys' Club is a cookery club where pupils will learn how to cook different recipes and take their food home with them. For the Spring Term we are opening this up to Years 4, 5 and 6. It will be run by the chefs in the dining halls at school and supervised by a member of staff, Nicki Carrington. It will be a three week course.

The club will take place in the Café Bar in the School Dining Halls on Tuesdays from 4.10 – 5.30 pm beginning the second week back in January, Tuesday 16th January. Each three week session will take 12 boys and we are hoping to run three sessions in the Spring Term.

The ingredients that will be required for each session are provided by the Catering Department in order to ensure traceability, and the cost for the sessions will be £9.00.

All participants must bring a large tupperware container to the sessions to take home their prepared dishes. Some dishes will be cooked on site, whilst others may need to be finished at home.

This is a superb club, however, places are limited and it is important that your son attends each week, so he will need to ensure that he is available. If you have any further queries not covered in this letter, please contact me via email ncarrington@bedfordschool.org.uk

If your son is interested in attending the club, please could you complete the attached slip and send it back with a cheque for £9.00 payable to the 'Harpur Trust' to Lesley Johnson at Prep Reception as soon as possible.

Kind regards

Nicki Carrington	Year 3 Head
Alex Grieve	Catering Manager
Ian Pickard	Executive Chef
