

Dear Parents

An opportunity has arisen for us to take a small group of boys from Y8 to the (sold-out) **EngFest 2.0** at the Institution of Engineering and Technology at Savoy Place in London on Tuesday 17th October 2017 (the first Tuesday of half-term).

The boys will experience a mixture of workshops and presentations and this trip would suit any curious student, especially boys interested in Science and Engineering.

We are planning to get a train from Bedford Station to St Pancras and then the tube to Covent Garden which is a short walk from Savoy Place. Leaving at 08.15 and returning around 17.30.

Entry to the event itself would be free so the cost (of approx. £25) would be for the transport there and back – plus the boys would have to bring with them a packed meal.

In the event that the trip is oversubscribed, names would be drawn out of a hat.

If you would like to put your son's name 'into the hat', please complete the form [here](#) by Wednesday 27th September and further information will follow.

Regards

Michael Mallalieu

Head of Science
