

Re: Y8 2nd Language Options

Dear Parents

I hope that your son has enjoyed the opportunity this year to have a taster of German, Latin and Spanish. Now that the boys are in their final term, it is time to consider which one of these three languages your son would like to study in Y8, alongside French. I appreciate that he has not had much experience of his latest language as yet, but I hope that it is enough to give him an insight as we need this information soon in order to plan the timetables for next year.

I have set out below for your information the points they need to consider:

- All boys in Y8, except boys who study English as a Second Language, must continue with French
- Boys who do not study Latin in Y8 cannot then take it up further in the school.

We are generally able to allocate boys to their first choice, so please rank the options below in order of preference via the form [here](#)

This information needs to be submitted by the deadline of Friday 19th May.

Kind regards
