## Notes

- PS = Private Study. Boys are expected to revise independently in the exam room at these times.
- Remove Form exams on Wednesday 7 June take place according to which timetable block their option GCSE is in. Boys can identify this by looking at their timetable and seeing whether they have O1, O2 or O3 (which = Option Block 1, 2 or 3) listed above the following subjects: DT (for Paper 1), Geography, History, Latin (for Paper 2), Music, Classical Civilisation (for Paper 2), Drama, RE (or French if boys are doing two Modern Foreign Languages). The subject is also listed explicitly on the exam timetable on the Pupil Portal, and on the hard copy personalised timetable which will be issued to boys directly.
- Please note that all boys are expected to be in the exam room for the *first* time listed for the start of afternoon sessions. Extra-time boys will commence their exam at the time *first* stated. Non-extra time boys will have Private Study at the start of the exam, and will begin their exam paper at the *second* time stated.
- Exam Rules are published on the Notices section of the Pupil Portal.
- MFL Oral Exams. French Oral Exams for 4<sup>th</sup> Form boys will take place on either Monday 22 May or Friday 26 May. French Orals for Remove Form boys, and German and Spanish orals for both 4<sup>th</sup> and Remove Formers, will take place *either* during lessons the week before half term *or* during exam week. Boys will be told their specific time by their teachers.
- Boys entitled to use a computer in specific subject exams will use the B7 Computer Room for those exams. Boys will need to check the seating plans which will be posted in the Bell Room nearer the time for details.
