A Note for those boys eligible for Extra Time in Exams:

Boys with extra time in exams may find that they have some long days of internal exams with very short break times. This can happen in the A Level exams themselves, and is beyond the School's control; the Trial exams therefore give boys a valuable opportunity to experience this and develop coping strategies as they prepare for the actual A Level exams.

Please note: boys eligible for extra time must use the full arrangements in the Trial Exams, and will not be permitted to leave an exam early if they have extra time. This is because if they do not make full use of their eligible time, they will lose it for their actual GCEs as the School has to provide evidence to exam boards of arrangements being used as the normal way of working in the School.

Boys with the exam access arrangement of extra time will be able to see the extra time they have printed on their exam timetable. Please contact Mrs Spir with any queries.
