

## **GoCode Academy Tech Camp Trial Session – Monday 29<sup>th</sup> January (4.30 – 6.00pm)**

Calling all budding coders! GoCode Academy are running an after school trial coding session on **Monday 29<sup>th</sup> January** in the Prep School.

If your child is interested in coding, don't miss this opportunity to register them onto this trial session, to have a go and see how much fun coding and programming can be. They'll get an insight into the activities and challenges that they would experience in the 5 day holiday camps at no cost. Your child will start to develop technical skills in an exciting and interactive way, as well as improve key skills such as critical thinking, problem solving, collaboration and communication. What's more, you can join too and see what the courses are all about!

To join the after school trial, please email: [hello@gocode.academy](mailto:hello@gocode.academy) and provide your child's name and year group and let us know if they are being accompanied by an adult.

## **5 Day Tech Camp: 12<sup>th</sup> – 16<sup>th</sup> February 2018**

If your child is inspired by coding, registrations are open for the 5 day Tech Camp being held during February half term at Bedford School. In addition to using Scratch, Python, and Game Development with Unity, more activities have been added to this latest course, including using Minecraft, a platform designed to nurture your child's imagination.

To find out more about the 5 day camp, download the flyer [here](#), or you can [book here](#). The 5 day camp costs £350.00 per child.

A discount is available for Bedford School pupils. Use Code: **BEDFORD** to receive 10% off the February Camp.
