

Dear Parents and Boys

You are cordially invited to take part in a Science and DT Family Challenge, which will take place during the evening of Thursday 3rd May starting at 19.30 and finishing at approximately 21.00.

Teams will take part in a couple of 'fun' science and technological activities. Points will be awarded for each competition and there will be prizes for the winners!

Teams will consist of (no more than) two adults and 1-3 children. Preferably, the children should be of **Y5 age** or above. (It is anticipated, but is not a requirement, that all of the members of a team are from the same family).

If you are interested in entering a team please fill in the form [here](#) as soon as possible. The number of teams that can take part will be limited and it will be first come, first served.

Yours

Mr MJ Mallalieu

ME Aldridge

Head of Science

Head of Design/Technology
