

Dear Parents,

On Thursday 18th October, Bedford Prep School opens its Gothic doors to Y8. From 6pm an organised tour of our very own haunted 'Inky' building will take place. Stories to chill the very soul will be revealed about each of the classrooms and the history of this fantastic building will finally be revealed.

Following the tour, the boys will enjoy some pizza, before watching the movie 'The Others,' directed by Alejandro Amenabar. This movie is classified as a 12. The boys will be available to pick up from 9pm from Burnaby Road. Please click [here](#) to indicate whether your son will be coming or not.

This evening is an addition to our Gothic literature scheme of work and although intended to be fun, it has been planned to be in the best of Gothic traditions. Therefore, this evening is entirely optional to all the boys and those of a more nervous disposition may choose to stay at home.

In addition to the Late Room, the English classrooms will be open for boys wanting to stay after school and do their Prep. This is really intended for boys who would usually go home by bus.

Yours faithfully,

Dominic Affleck

(Head of English)
