

Y8 Language Choices for September 2019

Dear Parents

I hope that your son has enjoyed the opportunity this year to have a taster of German, Latin and Spanish, as well as maintain his French lessons. Now that the boys are in their final module, it is time to consider which two of these languages your son would like to study in Y8.

As explained at the Languages Information evening on Tuesday, some points to bear in mind:

- If a boy does not choose Latin in Y8 he cannot come back to it in Y9.
- The two languages chosen in Y8 are generally followed through into Y9.
- Boys must do at least one Modern Foreign Language for GCSE (Latin does not come under this category, so a choice of Latin and Spanish now for example would mean Spanish would need to be continued to GCSE.)

We will endeavour to give boys their first and second choices, however we have to also balance class sizes so we cannot guarantee it. In this [form](#), please rank your son's choices in order of preference 1- 4. The deadline for completion is Friday 10th May.

Kind regards

Mrs. K. Faulkner

Head of MFL
