

Games / Sports Information and Team lists

Dear Parents

Team lists, specific match details and results are located on the school sports site (these are linked to the school calendar):

Prep

<http://www.bedfordprepsport.org.uk/>

Upper

<http://www.bedfordschoolsport.org.uk/>

When opening these sites on a mobile device, it should load as a web app, which will then appear on your homescreen. You will then also be able to favourite teams and download dates to your calendar (these will automatically change if we make any amendments,) as well as obtain locations of away fixtures.

The password to access team lists for both Prep and Upper school is: **deparysav**

This is new for the 2019/2020 academic year and will be active from 9am on Monday 9th September 2019.

If there is an issue or you have any questions, please contact Kim Burr (Sports administrator in the Bell Room) at kburr@bedfordschool.org.uk

Many thanks

Barry Burgess

Director of Sport
