

James Bond Theme

Aahh x 4

Goldfinger

Goldfinger, He's the man, the man with the midas touch,
A spider's touch.

Such a cold finger, beckons you to enter his web of sin,
But don't go in!

Golden words he will pour in your ear,
But his lies can't disguise what you fear,
For a golden girl knows when he's kissed her,
It's the kiss of death from Mister Goldfinger

Pretty girl, beware of his heart of gold,
This heart is cold.

Skyfall

This is the end,
Hold your breath and count to ten,
Feel the earth move and then,
Hear my heart burst again,

For this is the end,

I've drowned and dreamt this moment,
So overdue I owe them,
Swept away I'm stolen.

Let the skyfall,
When it crumbles,
We will stand tall,
Face it all together,
Let the skyfall,
When it crumbles,
We will stand tall,
Face it all together at skyfall

At skyfall (trebles only)

Live and Let Die

(alto) When you were young and your heart was an
open book,
You used to say live and let live,
(you know you did you know you did you know you did)
(both) But if this ever changing world in which we live in,
Makes you give in and cry,
Say live and let die!
(live and let die)
Live and let die
(live and let die)

What does it matter to ya,

When you got a job to do,
You got to do it well,
You got to give the other fella hell!

(alto) You used to say live and let live
(you know you did you know you did you know you did)
(both) But if this ever changing world in which we live in,
Makes you give in and cry,
Say live and let die!
(live and let die)
Live and let die
(live and let die)
