

Saturday 19th October

Dear Parents,

On Thursday 14th November, Bedford Prep School opens its Gothic doors to Year 8. From 6 pm, an organised tour of our very own haunted 'Inky' building will take place. Stories to chill the very soul will be revealed about each of the classrooms and the history of this fantastic building will finally be revealed.

Following the tour, the boys will enjoy some pizza, before watching the movie 'The Others,' directed by Alejandro Amenabar. This movie is classified as a 12. The boys will be available to pick up at 9pm from Burnaby Road. If you would like your son to come, please complete the form [here](#).

Although we are eating pizza, I would recommend that your son has a packed tea. We would rather that the boys do not leave school and if they are staying, they may do their prep in my classroom – H14.

This evening is an addition to our Gothic literature scheme of work and although intended to be fun, it has been planned to be in the best of Gothic traditions. Therefore, this evening is entirely optional to all the boys and those of a more nervous disposition may choose to stay at home.

Yours faithfully,

Dominic Affleck

(Head of English)
