

Dear Parents

Year 5 Science Night Sleepover – Saturday/Sunday 8th/9th February 2020

We have booked enough places for all BPS Y5 boys to attend one of the popular and successful Science Night Sleepovers at the Science Museum. This year, the trip is taking place on **Saturday/Sunday 8th/9th February 2020**.

We will leave BPS around 16.00 and travel down by coach to the Science Museum. The boys will take part in various science activities in the evening and the following morning (including seeing a film in the IMAX cinema in the Wellcome wing). We would aim to get back to Bedford at about 13.00 on Sunday 9th February.

The cost of the trip is £89 which is non-refundable. If you would like your son to take part, please could you fill in the form [here](#) and make a payment through [wisePAY](#) by Monday 9th December. The school's code of conduct can be found [here](#)

To fulfil the Science Museum's adult to child ratio demands and therefore enable the trip to take place, we will need some parents to accompany the trip (free of charge!) If you would like (or are prepared) to join your son on the trip please indicate this on the form. (We will contact you to confirm – therefore if you do not hear from us please assume that we have enough help.) All parent helpers will need to undergo DBS checks by the school.

Yours

MJ Mallalieu
