

## Eco Monitor

We are hoping to introduce official litter pickers to the playground to help eliminate litter and, in turn, to help our planet. We will call these helpers 'Eco Monitors'.

An Eco Monitor will be on duty once a week at morning break. They will have special equipment to help with the job. They will be issued with a special badge to show the importance of their role. They will hold their position for half a term.

If you would like to be considered for a role as an Eco Monitor please complete the spaces below by Monday 27th January and hand in to Mrs Carrington.

I (name) \_\_\_\_\_ of (class) \_\_\_\_\_

would be a good Eco Monitor because \_\_\_\_\_
