

AUTHOR VISIT – PETER J MURRAY – 5th March 2020

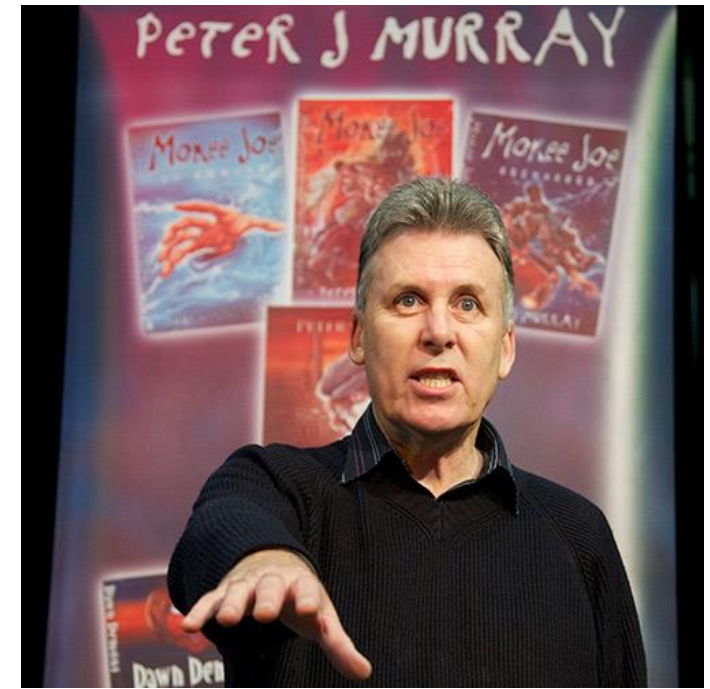

POPPY WARRIOR

The ghostly silhouette of a soldier standing among poppies edging the school car park and hollow sounding footsteps in the school corridors ... just the start of a series of spooky events to befall Josh Palmer at his new school.

He must be brave alongside his supportive twin sister, Jess. Killing the enemy in a computer game may be one thing, but facing the real life horror of trench warfare in World War 1 may well be another.

It seems that eleven -year-old Josh Palmer is about to discover the truth!
