

April 2020

Dear Musicians

Prep School Music Challenge

The competition will be in four categories- pre Grade 1, Grade 1-2, Grade 3-4, and Grade 5+. If you are not sure which category you are then contact myself or Mrs Gedye.

To enter please film yourself performing your piece (mobile phone is fine) and upload to google drive [here](#). The easiest way to do this is to download the Drive app and Google Drive should come up on your options when you click to share the video you have made.

You should name the video after your name and your category. Eg. "Joebloggsgrade1"

The deadline for entry each week will be Friday at 12pm so entries can be judged before end of the day on Friday.

All entrants will receive one merit and the winners (one per category) will be uploaded to [Bedford School Music Facebook Page](#) and announced there.

Finally, if you have won once, you can still enter again to receive merits (playing a different piece) but you can't win twice!

Best wishes

Mr Groom and Mrs Gedye
