

## **Year 5 & 6 Early Wednesday Morning Tennis**

Y5 & 6 Tennis club will be starting on Wednesday 16th September. The club will run from 7.15-8.15am. Please can the boys be dropped off at the Pavillion, but parents must remain in their car. The boys will already be in their games kit and tracksuit for that day so the only kit they will need is a tennis racket.

**There will be no breakfast provided after the club so boys need to already have had a good breakfast before they arrive and bring in an additional healthy snack and a drink with them.** The session will be at Phillipotts courts with Robbie Wolff (level 4 tennis Coach). After the session they will be led back to school to join their registration.

If the weather is too poor to train, Mr Guest will email the boys registered at the earliest possible opportunity to confirm that training is off. Any questions please contact [sguest@bedfordschool.org.uk](mailto:sguest@bedfordschool.org.uk)

If you would like to register your son to regularly attend this club please could you complete the form [here](#) by Monday 14th September. Please do register, as with limited space and fixed year group bubbles, it is important we know the number of boys attending.
