

NEW BOY BORN

Out of the pinpoint light of a star,
Out of a journey cold and far,
Out of a seed in the wind above,
Out of the human need for love,
Out of the clouds into snowflakes torn,
Out of the night's desire for morn,

*Tonight a new boy born,
Tonight a new boy born,
Tonight a new boy born,
Tonight a new boy born.*

Part 1: Out of the spreading wings of a bird,
Part 2: Out of an angel's whispered word,
Part 1: Out of the cities asleep so deep,
Part 2: Out of the fields of cows and sheep,
All: Out of the midnight hour and the dawn,
Out of a labour bravely born.

Part 1: *Tonight,*
Part 2: *Tonight a new boy born,*
Part 1: *Tonight,*
Part 2: *Tonight a new boy born,*
All: *Tonight a new boy born,
Tonight a new boy born.*

Out of a trumpet's triumphant note,
Out of a donkey's wordless throat,
Out of the soul's desire for more,
Out of straw on a stable floor,
Out of a light from the heavens torn,
Out of a cross fashioned from corn,

*Tonight a new boy born,
Tonight a new boy born,
Tonight a new boy born,
Tonight a new boy born.*

A new boy born.

Part 1: *Tonight,*

Part 2: *Tonight a new boy born,*

Part 1: *Tonight,*

Part 2: *Tonight a new boy born,*

All: *Tonight a new boy born,*

Tonight a new boy born.
