

## HOT CUP OF COCOA

### Trebles

It's c-c-c-c cold outside!  
I'm f-f-f-f-freezing!

### Altos

My nose is getting runny!  
I hope I don't start sneezing!

### All

My t-t-t-t tootsies  
Are F-R-O-Z-E-N! That's frozen!  
If I counted I'm not sure that I would still have ten!

I want a hot cup of cocoa  
With a marshmallow or two!  
I want a hot cup of liquid love,  
Only the choc'late kind will do!  
I want a hot cup of cocoa  
To warm me up from head to toe!

### Trebles

Make it in a mug:

### All

Serve it on a saucer and warm me up,  
With a h-h-h-h hot, c-c-c-c cup,  
Of c-c-c-c-c-c-c-c-c-co-co-coa!

### Altos

(shiver)  
Brrrrr!

### Trebles

Sniff. Sniff.  
Ah-choo!

### Altos

Pour it in a cup;

### Trebles

It's n-n-n-n nippy!  
The wind is really blowing!  
I wonder if it ever  
Will stop s-s-s snowing  
There's o-o only one thing

### All

That will warm my frozen feet:  
A nice and hot,  
Like-a-lot,  
Steamy cup of "cho-o-lot"  
Will turn up my heat!

I want a hot cup of cocoa  
With a marshmallow or two!  
I want a hot cup of liquid love,  
Only the choc'late kind will do!  
I want a hot cup of cocoa  
To warm me up from head to toe!

### Trebles

Make it in a mug;

### All

Serve it on a saucer and warm me up,  
With a h-h-h-h hot c-c-c-c cup!  
Chase away the chill of winter;  
Warm me up with a h-h-h-h hot, c-c-c-c cup,  
Of c-c-c-c-c-c-c-c-co-co-coa!
