

Dear Lower Sixth Parents and Guardians,

As your son progresses further through his Sixth Form career at Bedford School, it is time to focus our thoughts more firmly on his pathway 'Beyond Bedford'. As part of the Careers provision in place, which includes the annual Beyond Bedford evening for parents and boys on Wednesday 10 February 2021, your son has the opportunity this term to complete the MyUniChoices (formerly Centigrade) questionnaire.

This is an academic measure and interest-based questionnaire, designed specifically to match your son with preferentially sequenced careers identities, alongside courses and institutions which he may well wish to explore further. This year, the boys will be taking their MyUniChoices questionnaire on Tuesday 9 February, during Citizenship Morning. They will receive instant personalised feedback on university courses and institutions that are likely to suit them. Additional sections cover information on open days, taster courses and the application process. The results include course analysis forms which provide a crucial starting point and structure for boys to carry out research.

Interpretation and further customisation of the results will occur during Citizenship on Friday 5 March. The service and accuracy of the results, along with the way the online system guides each boy into a systematic research process, means their decision-making paradigm is greatly enhanced.

Coupled with Unifrog (see the appendix following this letter), this means our boys have a wide choice of how to research, what to research and unbiased careers advice from well-respected external careers organisations, alongside in-school expertise.

The cost of the test and resulting information service is £36 per boy and will be Blue Billed for this term. If you would like to opt out, please [contact Mrs Fox-Johnson](#) by 29 January. If we do not hear from you, we will presume that you are happy to give your consent for your son to participate in the MyUniChoices process.

Kind regards,

**Mrs M Lincoln**

Head of Careers and UCAS

**Bedford School has been using Unifrog for a number of years now. Your son has created an account which will enable him and us to work together on finding a pathway Beyond Bedford. The following information summarises how we use Unifrog – please ask your son to show you.**

Unifrog is a one-stop-shop where boys can easily explore their interests, then find and successfully apply for their next best step after school.

Unifrog will help your son to explore their key interests and what career paths they can take to reach their goals. It allows boys to compare every university course and apprenticeship in the UK, as well as university courses in over 30 other countries across the world. It also provides access to Labour Market Information and advice on careers and subjects for all routes. Other features include a CV builder, personality quiz, and access to online courses.

## How can Unifrog help me now?

- Explore what subjects you would be interested in studying Post 18 and how these choices can lead to different career paths and further education.
- Discover and sign up to online courses in areas that you're interested in.
- Explore how to successfully apply to an apprenticeship or university course, including universities abroad.
- Support in writing a CV and Cover Letter.
- Record key activities and achievements to use in your application.
