

# FUTURE SKILLS

## Year 6 Summer Assessments Timetable May 2021

All Year 6 assessments take place in Y6 tutor rooms

<b>Tuesday 11 May</b>	Period 1&2	Maths
	Period 3&4	French
	Period 5&6	History
	Period 7&8	Read, reflect or revise

<b>Wednesday 12 May</b>	Period 1&2	English 1
	Period 3&4	Science
	Games all afternoon	

<b>Thursday 13 May</b>	Period 1&2	Geography
	Period 3&4	English 2
	Period 5&6	Latin
	Normal lessons resume. Well done!	

Please remember that these tests have been specially written with you in mind, so that you can show your teachers how clever you are. (They are not designed to trip you up, or catch you out).

We want you to relax and to try your best.

## Important and helpful information for boys of Year 6

**This is preparation for a time when you are older – we are helping you to get into good habits.**

### **Before the Assessments, check your equipment**

1. Pencil case (named)
2. Pen (and spare one)
3. Sharp pencils/coloured pencils
4. Ruler and eraser

### **During the Assessments:**

- Take into the assessment room the equipment listed above, as appropriate.
- You should work in silence during assessment times. This includes the time when papers are being given out and collected afterwards. This helps you, and others, to concentrate.

### **Other helpful information**

1. Try your best with the presentation of your work, as always.
2. Read each question carefully. If there are choices, choose with care.
3. Always plan longer answers in rough first, because this makes it easier to actually write what you know.
4. Watch the time but do not rush. Papers are designed to give you time to read them properly and to check your script at the end.
5. Look at the number of marks given for a question, and write accordingly. Also, make sure that you show all calculations in Maths.
