**A WINE  
EVENING**  
*of Discovery!*

Join Master of Wine (and Bedford School parent) Sarah Abbott for a light-hearted tasting of wines from the road less travelled.

Sarah will join us live on Zoom and take us through the bluffer's guide to wine tasting! Find out why some wine regions are famous, and the twists of fate that mean there are so many hidden gems of wine just waiting to be discovered.

Sarah has selected three wines that will be supplied by independent wine boutique, The Blue Glass on St Peter's Street in Bedford. The tasting will last 30-40 minutes, then you are free to enjoy the wines either virtually together, or in your groups of six.

We are also delighted to offer a selection of British cheeses, to accompany the wines, supplied by Franklins of Thorncote, a local farm butchery and delicatessen.

**Friday 7th May 2021 at 8pm**
