

Dear Parents and Guardians,

Resumption of Sporting Fixtures

With the welcome resumption of inter-school fixtures this term, I thought I would write with some information that you will hopefully find useful. Firstly, please be assured that all National Governing Body, DfE and Government guidelines will be followed in relation to all aspects of every fixture. The safety of the boys and staff is obviously our priority. With this in mind (and as stated in the 'start of term' correspondence from the Head Master), parents and spectators will unfortunately not be permitted at fixtures, either home or away, at this point of the term. This will be reviewed on an ongoing basis.

With regards to accessing **team lists, specific match details and results**, all of these are located on the [school sports website](#) (linked to the school calendar).

When opening this site on a mobile device, it should load as a web app, which can then be set to appear on your home screen. You will then also be able to 'favourite' teams and download dates to your calendar (which will then automatically change, if we make any amendments), as well as obtain locations for away fixtures.

Please note that the password to access team lists for both the Prep and Upper school is:

deparysav

If there is an issue or you have any questions, please do not hesitate to [get in touch](#).

With kind regards,

Barry Burgess
Director of Sport
